

Midwest Consulting Group

Midwest Consulting Group was founded in 1994 with the idea of helping Companies and Employees grow. Let us help you in your search for the right job.

Senior Oracle Applications Developer

Rexel, Inc is the largest electrical distributor in the US and the world and is currently looking for new team members that can continue to help us push the boundaries of technology to maintain our leadership role in the industry and competitive advantage. Beyond just a simple Financials implementation, Rexel is a multi-channel corporation that has Web, Point of Sale and Call Center operations, linked to over 450 retail outlets and distribution centers that depend on systems to offer innovative services to our customers and facilitate increased efficiencies. This is a challenging role that offers a candidate to be exposed to a diversity of technologies and operations.

Successful Candidate will be responsible for the production support, maintenance and ongoing development within the Oracle Applications 11i Suite. Must be proficient in the use of PL/SQL, Oracle's Internet Development Suite (Forms, Reports, etc) and Oracle database fundamentals. High technical proficiency and real world experience is a must since this person will be responsible for architecting new solutions and mentoring others in our group.

Required Experience and Skills

Oracle Applications 11i Full ERP Suite (GL/AP/AR/FA/INV/OM/PO/MRP/EDI)
Oracle Applications Development
Oracle Applications AOL and Foundation Experience
Oracle Forms and Reports 6
Oracle PL/SQL Packages/Procedures, SQL*Plus, SQL Loader
Oracle Workflow
Toad

Other Desired Skills

Oracle 9i and 10g Database Administration
Unix AIX Administration
Unix Shell Scripting and Utilities (ksh / awk / perl)
HTML/CSS
Apache Web Server
PHP and Java Script Programming
Cognos 8
